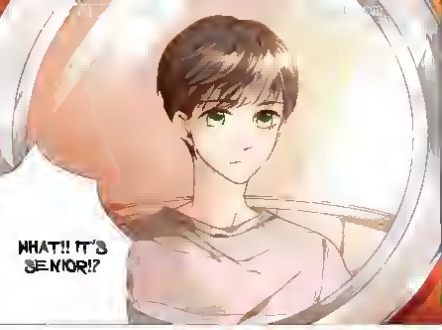
Who's here during this hour of the day?
Come, come here.
Hmm. This will be interesting.
Look, who's there?
Hu! ?



WHAT!! IT'S SENIOR!?

Haha! What a coincidence!
Why is senior here? Did you invite him over?!

What do you think!? Surprised? He came over by himself
His house is the opposite of mine, the house in front of the lift is his

Oh god what do I do if he sees me in your house, how do I explain?
Just go hide in one of the room for now!
AH! OK! THANKS!

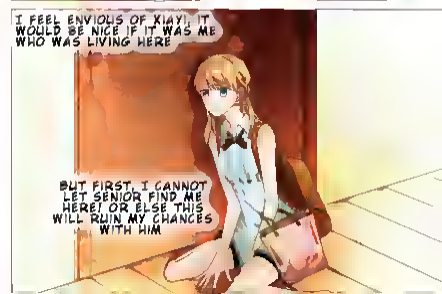
Yo senior I was wearing earphones earlier so I didn't hear your knocking
SUGUANG
It's okay I only came over to take the picture I left behind last time
Oh yeah come in



I FEEL ENVIOUS OF XIAYI. IT WOULD BE NICE IF IT WAS ME WHO WAS LIVING HERE
BUT FIRST, I CANNOT LET SENIOR FIND ME HERE! OR ELSE THIS WILL RUIN MY CHANCES WITH HIM

Senior just wait a bit, I'll look around my house.
OK, I'M NOT IN A HURRY SO WE CAN TAKE SOME TIME TO LOOK FOR IT
WHEN HE SAID "OK" IT SOUNDED LIKE — IT SOUNDED LIKE SENIOR WAS SMILING I REALLY WANT TO GO OUT AND SEE HIM AND HIS EXPRESSIONS

Huh?
I can't hear.
I'll go look around the kitchen and see what he's about, you go into that room over there and look for him there.
Oh ok.

HMM? WHICH ROOM IS HE REFERRING TO?
PLEASE DON'T TELL ME IT'S THE ROOM I AM IN!

XIAY!! YOU BASTARD!

It was pure coincidence. I was thinking about you by letting you take a look at my screen. I was just being kind and you aren't even feeling grateful for my actions.
IT WAS PRETTY CLEAR THAT YOU DID IT ON PURPOSE!
Even though I am not willing to converse with him
But there's something I really want to know
